Why should I read? Here's what the authors say!

Katherine Rundell, a children's author who wrote 'Rooftoppers' and 'The Wolf Rider', said the following when asked to finish the sentence "you should read because...":

...books are an invitation to the ball. They let you live a 1,000 lives and visit a million places: world after world after world.

Royal Wedding Celebrations

Children from all classes should have brought home a letter today outlining some plans for Tuesday 22nd May when we will all be celebrating the Royal wedding. Children in Woodpecker and Jay Class will be staying in school for their own picnic lunch and activities. The children in Owl and Buzzard Class will be heading to Lanivet for a picnic lunch on the village green and a day filled with activities. More details can be found in the letters.

Cardinham School's Mini Farm and Country Day

We are excited to inform you that The Royal Cornwall Agricultural Association (RCAA) educational vehicle will be visiting Cardinham School on Tuesday 15th May as part of our whole school topic. Every child will have the opportunity to visit the vehicle throughout the day. As they are a charity run organisation, there is no charge. However, we are asking that all children bring in a small donation so that these fantastic opportunities can continue in the future.

KS1 SATs Meeting

Mrs Grant and Mrs Pemberton would like to thank the parents who stayed after school on Wednesday for their KS1 SATs meeting. If you were unable to attend, please feel free to see either of the Owl Class teachers where you will be able to book a mutually convenient time. Thank you for your continued support.

The Daily Mile: What the Research Says

Children and staff have been busy taking part in our daily mile before lunch time each day. We are definitely noticing the benefits in school and we hope you are at home too. For the next few weeks, we will be including a piece of research to highlight why we have introduced this initiative. **Studies at The University of Edinburgh and The University of Stirling found that children reported feeling more awake after taking part in a short amount of exercise. Children also said they felt happier after doing a run/walk activity.**

Census Day Menu

On Thursday 17th May, we are holding our next Census Day menu. The choices will be either battered fish or cheese & tomato quiche with chips, peas and salad. For dessert there will be an ice cream pot and fresh fruit slices.

Porthpean Meeting

There will be meeting for parents regarding the upcoming Porthpean Camp on Wednesday 23rd May, at 3.30pm in Buzzards Class. Again, the children are welcome to attend alongside parents or alternatively they can go to after school club.

School Payment Update

The governors have decided that each family is allowed a maximum of £20 debt per item (an item being school dinners, breakfast club and after school club). If your child uses either one of these three services when the £20 limit has been exceeded, your child will be able to have the school dinner or use either breakfast or afterschool club on that day; however, a letter will be sent home with them explaining that they will not be able to use the service until the debt has been cleared. Please pop into school if you have any questions. Thank you for your support.
