End of Topic Assembly and Dress Up

To culminate our whole school topic, we are holding an end of term assembly for parents at 1pm on the last day of term (Thursday 29th March). In keeping with the day, we ask that children dress up in the theme of 'Under the Sea'. We hope to see many parents there celebrating the hard work of the children.

Fantastic St. Piran's Day Celebrations

St. Piran's Day was a wonderful day that everybody enjoyed. In light rain, we paraded down the high street and enjoyed some singing and dancing. After that, we headed to the church to listen to some wonderful singing from other primary schools. We performed "A mining we will go" and then we sat and ate some delicious pasties before heading back to school. We already can't wait for next year's celebrations.

Cross Country: Mid-Cornwall Finals

On Thursday, four talented pupils were chosen to represent Cardinham School by taking part in an exhausting racing competition. The weather was wonderful; however, there were a few dark clouds. Matilda and Georgia came 16th and 19th respectively which means they are on the reserve list to represent Mid-Cornwall at the county finals. Holly ran well and came in the early 20s so just missed out. Lachlan did amazingly and qualified outright in 13th place. He will be representing Mid-Cornwall next week. A huge well done to everybody!

World Book Day

Next Thursday, we are going to repeat the World Book Day that unfortunately was snowed off from last week. Therefore, on Thursday 15th March, we ask children to bring in their favourite book that they will share with their peers and complete activities on throughout the morning. (We will not be dressing up this year)

The dates of your child's parents meetings can be seen below. On Monday, there will be time sheets on your child's classroom door where you can write your name to book a time to see their class teacher. Of course, if these dates do not suit, please see your child's class teacher to book a mutually convenient time. Thank you for your continued support.

Mr Jones is opening his doors to all year 6 parents so they can find out a little more about the KS2 SATs process. Thursday 26th April has been set for this date and the talk will start as close to the end of the day as possible. Parents of previous Y6s have found the talk very useful. Refreshments will be provided and Y6 pupils are encouraged to attend too. He hopes to see as many parents there as possible.

Mathletics

A reminder that every child at Cardinham Primary School has a Mathletics account. Your child should have brought a username and password home this week - if not, please see your child's class teacher. The program can be accessed online and is pitched at the correct age group. We hope children are able to access this program at home to build on their learning at school.
