BY WEDNESDAY 24TH MAY 2017

RESEARCH INTO CHILDREN'S ABILITY TO
LEARN AND PROBLEM SOLVE- Many thanks for
sending back the forms with parental consent which
was sent out earlier in the week to certain classes.
Mr. Jelbert's daughter who will be coming into
school for one week starting on Monday 22nd May—
Friday 26th May will be doing the research. Not
every child will get to be seen due to the time that
she will be in school but we would like to thank you
for such a positive response.

NO FIDGET STRESS REDUCING TOYS ALLOWED
IN SCHOOL — We are asking that anyone that has
one of these fidget toys to be kept at home and not
brought into school. Should the class teacher
identify that one is needed or appropriate they will
allow it, but only after a discussion with the parent.

SUMMER TERM—Please can pupils bring in their own
drink bottle to school with them as the weather is
warming up. We are encouraging them to drink
regularly throughout the school day. Also for P.E,
playtimes and at lunch time they will need hats and
suncream in school. Many thanks

MUSIC LESSONS JUNIOR CHILDREN—Is your
child interested in learning the keyboard from
September. Lessons are approximately £5.00 a week
with remissions available for certain benefits and
lessons are free for parents who are entitled to
income support.

Guitar Lessons—in September there may be spaces
for those who are on the reserve list for guitar
lessons but at the moment there are none.

ARCHERY CLUB

Andrew Scott is hoping to run
an archery club at his home
address on a Thursday after-
school. The cost will be £4.00
per session for children aged 8
and upwards. This will commence after half
term if there are enough interested. He
needs a minimum of 5 for the class to run.
For more information kindly ring :
Andrew Scott on 01208 831702
